The goal of **Sundi's Gift** is to provide sustainable livelihoods and resources to Kenya citizens, especially for its children. Income is raised through special events, private donations and fundraising efforts. In doing so, Sundi's Gift works with Kenyan organizations, such as Vision Link School, World Commission Church, P.E.F.A. Ministries and Sundi's Gift Academy to provide resources for the children of Kenya.

With your partnership, Sundi's Gift directly supports over 350 students and staff daily. We continue to pursue sustainable capital investments that empower local communities, with an eye towards financial independence.
